

GREEN BUILDING INSTITUTE

Envisioning a world where green building is the norm.

Making Your Home More Energy Efficient

Date: Wednesday September 24, 2008

6:45 p.m. – 7:00 p.m. Check-In

7:00 p.m. – 9:00 p.m. Energy Efficient Homes

About the Instructor:

Jim Conlon has a degree in Biology from Loyola University, Chicago with a concentration on Conservation Biology and Ecosystem Management. His professional experience includes real estate, advertising and renewable energy marketing. Jim completed the Certified Home Energy Rating System (HERS) Rater Training Course in the fall of '06. He enjoys spending time on residential energy conservation and efficiency as an integration of his academic and professional experiences. Jim recently started his new business, Elysian Energy, LLC., which focuses on analyzing energy usage to determine best course of action to reduce energy usage and bills!
